Gavin St. Ours

Baltimore, MD - Email me on Indeed: indeed.com/r/Gavin-St-Ours/7bfe0f483b1ce922

Authorized to work in the US for any employer

WORK EXPERIENCE

Indie iOS Developer

Osito, LLC   -   Baltimore, MD   -   August 2016 to Present

I develop two apps for my own company, Space Station Live and Small Moments, both for iOS and tvOS.

iOS Developer

Clevertech   -   Remote   -   May 2016 to January 2017

I worked on a variety of iOS and mobile web projects. I sometimes worked with teams of a few other developers, and sometimes worked as the sole developer, depending on the project.

JavaScript Developer

A Different Engine   -   San Francisco, CA   -   August 2013 to August 2015

I worked on a number of web apps and apps for smart TVs for a number of clients including Comcast, NBC, Conde Nast, Samsung, Showtime, and others.

EDUCATION

Bachelor's in Communication Arts

Salisbury University   -   Salisbury, MD
August 1998 to May 2002

SKILLS

iOS (3 years), Javascript (5 years), HTML (10+ years), CSS (10+ years)
