Willing to relocate: Anywhere

WORK EXPERIENCE

Web Developer
Freelance Software Developer   -   San Francisco, CA - august 2016 până la Prezent

• Retrofitted client's codes which result in the client's website to become mobile responsive on different browsers and phones.
• Used mobile-responsive concepts which increase the client market competitiveness and dominance.
• Advised the clients on modern web development concepts that result in an increase in a younger target audience.
• Made clean comments on source code facilitating work transparency and easier transition of tasks.

Business Analyst
InvestCloud, LLC   -   San Francisco, CA - ianuarie 2016 până la iulie 2016

• Designed ETL logical data map for engineers to implement on Groovy which reduced manual data loads and increased data load efficiency.
• Drafted plans for data tests and advised on data conversion plans which enhanced end-users' experiences and clients' business services.
• Formulated Solution Design Specifications using PowerPoint for clients facilitating project development transparency.

Senior Associate
First Republic Investment Management   -   San Francisco, CA - august 2014 până la ianuarie 2016

• Collaborated with PWM Tech Team to design Market Value reconciliation website for operational usage increasing team productivity and efficiency and creating a better user experience.
• Led team on multiple projects which resulted in improved quarterly reporting statements.

Senior Associate
First Republic Trust Company   -   San Francisco, CA - ianuarie 2010 până la august 2014

• Updated and maintained system of 5000+ accounts increasing system processes and accurate reporting.
• Acted as Subject Matter Expert (SME) for disbursements, trade settlements, cash-flow, and system support creating more skilled employees and increasing accurate and effective processes.
• Designed and conducted test plans for system upgrades which reduced costly inefficiency and redundancy for company.
• Compiled business continuity plan, and created best practice procedure instilling a more efficient and effective work practice for new employees.

Associate
First Republic Trust Company   -   San Francisco, CA - iunie 2006 până la decembrie 2009

• Converted 10,000+ data from old system to new system within projected timeframe which successfully launched a new and enhanced accounting system.

• Planned and designed training manual to instruct employees on new processes which resulted in employees more efficiency implementing daily tasks.
• Promoted to Trust Associate after five months of consistently surpassing management's expectations
